❖ Student Services Research Bulletin ❖

Volume 12 Issue 1 | **Creighton University** | September 17, 2003

This is the first issue of the 2003--04 Research Bulletin! *For those who are new to the undergraduate faculty, Bulletins are published between six and eight times per year and mainly report the results of survey data on undergraduate students collected by the Office of Student Services.*

For those who keep these Bulletins for reference, all issues in 2003-04 will be printed on gray paper.

ATTRITION UPDATE

*Since 1993, the Office of Student Services has been tracking those first-time, full-time freshmen who enter Creighton each Fall, compiling **unofficial** attrition data. We have done this by following each student who is reported by the Admissions Office to have enrolled as a first-time, full-time freshman each fall and determining if they registered in subsequent semesters and received grades. This data **does not** take into account transfer students entering in the fall or spring or new students who start their undergraduate studies in January. These numbers are therefore different from those of the Registrar **(the official Creighton figures)**, who tracks all undergraduate students.*
