Biography
Ms. Monica Rogers is the Health Information Literacy Coordinator for the NN/LM MidContinental Region. As such she oversees specific activities of the NNLM/MCR related to health literacy. Ms. Rogers participates in numerous outreach activities. Outreach included visits, presentations, and exhibits at meetings, formal training sessions for health care providers, as well as training for CE credits for librarians both in-person and online. Ms. Rogers exhibited at local events including the Nebraska Library Association, various Creighton University Continuing Education conferences, Nebraska SciFest, several local church health fairs, and presented to the Aksarben Elmwood Park Neighborhood Association and to staff and patrons of the Mexican Consulate.
