CAREER OUTLOOK

There are immediate employment opportunities for economics majors in firms operating in the financial industry – banking, investments, insurance, real estate and securities.

Firms in all areas of business and sectors of the economy look for forecasts of future economic conditions so they can better understand and adapt to the changing business environment. In addition, economists are called upon to apply their skills to solving specific problems within the firm, such as estimating demand conditions and setting prices.

MEDIAN STARTING SALARY IN 2019

\$55,000

EXPERIENTIAL LEARNING

PAID INTERNSHIPS

You will have access to thousands of paid internship and job opportunities through Handshake, as there are more opportunities available to Creighton students than students to fill them.

ECONOMIC OUTLOOK

Gain real-world experience in the research and analysis of economic trends throughout the country as you work with nationally recognized economist and Heider College of Business economics professor, Ernest P. Goss, PhD. His annual economic trends surveys and monthly economic reports are used by various industries and media outlets.

INSTITUTE FOR ECONOMIC INQUIRY

Devoted to programs that analyze economic and social outcomes from a variety of academic perspectives, the Institute engages you in ways beyond passive listening through reading groups, research programs, seminars, student events and other programming. Its large public lectures also draw audiences outside Creighton's campus.
