N.B. In Table 4.7A, the six-year graduation rate is the percentage of full-time, first-time degree/certificate-seeking undergraduate students in a particular year (cohort) who completed their program within 6 years. For example, the 2015 six-year graduation rate is based on the percentage of full-time, first-time freshmen starting in Fall 2009 who graduated within a six-year period or less (by August 31, 2015).
