Dear Advisor/Teacher,

We are writing to extend an invitation to your school/community to attend the Creighton University 11th Annual Native American Retreat which is scheduled for March 29 –March 31, 2007 in Omaha, Nebraska. We are very proud to announce that this year we have planned one of our best conferences as we have some incredible speakers and activities planned, in addition we will conclude with an All Nations Pow-Wow on Saturday, March 31, 2007.

Enclosed you will find the retreat registration forms, retreat handbook, and agenda for the three-day program. Please complete and return all registration forms and student essays by **March 16, 2007**.

We ask you to carefully read the Retreat Handbook, especially the section “Requirements and Registration.” Please meet with your group of students to go over the details – providing them a thorough orientation and assist them with the application process. Our experience tells us that those chaperones who take an active role in pre-teaching and assisting the students with the application process experience greater satisfaction and less headaches.

If you require additional forms you can download from our website: www.creighton.edu/NAretreat or feel free to photo copy if needed. We look forward to your organization’s participation in the 11th Annual Native American Retreat. If you have questions or concerns, please contact us at (402) 280-2469 or ariza@creighton.edu or (402) 280-2703 or nvalentine@creighton.edu

Sincerely,
