

MEMORANDUM

To: Full Time Teaching/Research and/or Clinician/Educator Faculty
From: Edward A. Morse, President of the University Faculty and Chair, Committee on Committees
Re: Call for Nominations
Date: March 12, 2018

On behalf of the Committee on Committees, I hereby issue a call for nominations for service in university committees with elected faculty representation and for membership in faculty council. A listing of open positions appears below. Full-time teaching/research and clinician/educator faculty who do not also hold a post in academic administration (assistant dean, associate dean, dean, or provost) are eligible for nomination. For some positions, candidates must be from specific schools. Where noted, tenure may also be required.

Please submit your nominations by email to me (morse@creighton.edu) with a copy to Charles Braymen (CharlesBraymen@creighton.edu). If you are nominating a colleague, please be sure to confirm that he/she is willing and eligible to serve. Terms for service generally extend for three years. Nominations are due by Monday, March 26. Elections will be held in April on dates yet to be announced.

Please consider serving. Call me if you have any questions (402-280-3091).

Faculty Council Representatives

- College of Arts and Sciences (5)
- College of Business (1)
- School of Dentistry (2)
- School of Law (0)
