

2008-2009 Annual Assessment of University Learning Outcomes

School of Nursing Assessment Report - Preliminary Results

1. Disciplinary Competence and/or Professional Proficiency

Preliminary Results:

2007 BSN graduates averaged 88% on the NCLEX-RN exam and 2008 BSN graduates, to date, averaged 100% on the NCLEX-RN licensure exam. Additionally, 100% of 2008 MSN or MS graduates passed their professional role certification exams.

2. Critical Thinking Skills

Preliminary Results:

Creighton BSN students score above the 90th percentile in critical thinking for all schools. 100% of 2007 and 2008 graduates satisfactorily completed and disseminated their EBP-QI projects.

3. Ignatian Values, to include but not limited to a commitment to an exploration of faith and the promotion of justice

Preliminary Results:

Major value items rated 4.25-4.75.

4. The ability to communicate clearly and effectively

Preliminary Results:

None reported.

5. Deliberative reflection for personal and professional formation

Preliminary Results:

BSN student journals are confidential and ungraded but may be included in the students' portfolios, if they elect to display a segment. For MSN, MS, and DNP students, dialogs between students-faculty-preceptors occurred.

6. The ability to work effectively across race, ethnicity, culture, gender, religion, and sexual orientation

Preliminary Results:
