Preschool Room Activities

October 22-26

Changes

Books we will Read
- Christopher changes his name
- Edward the Emu
- Four Puppies
- Gorf's Pond
- Why do leaves change colors?

Special Events
- Tumble Bus

Things we are Doing...
- Corn on the cob can be popped into popcorn
- Leaves change colors
- Trees change through the seasons
- Make a book about foods and what they can be made into

Memo To Parents
The theme for this week is about how things change. For example: we were talking about apples a couple of weeks ago and one child insisted that the apple could turn into an orange. We are going to discuss how one thing can be made into another thing or just how things change colors or shape.

Thanks! Delois, Brandi, Pat & Shari
