Why Do Seasons Change?

Special Events
Literacy Room
Tumble Bus on Thursday
Show & Tell on Friday

Things We Will Do

This week we will continue to make observations about the changes going on around us. We will record our experiences and knowledge in Autumn Journals. Keep your eye out for the colorful fall mural we will be making and stained glass leaves that will be in the windows! We will practice taking turns while playing board games, explore the contents of our math and science bags, and finding out what musical instruments make nature sounds. What a busy week!

Annie, Keon, and Shari
