Preschool Activities
Nov. 10th – Nov. 14th
Dental Health / Recycling

Books we will Read
Curious George Goes to the Dentist

Special Events
Tumble Bus
Dental Visitor

Things We Will Do;
Rainbow Bottles, Brush Teeth

Memo:
This week we will introduce the children to the concept of recycling. We will sort items that are recycled to help them understand the process. We will also begin our daily tooth brushing routine. We are planning to have visitors come to our classroom to help the children learn more about good dental health. We will work on the Letter “Tt” and the sound for “Tt” in our literacy groups.

Shari, Keon, Delois and Pat
