Memo:
This week we will continue to teach the children about the concept of recycling. We will begin recycling items in our classroom. We will also do creative art using a variety of recyclable materials. In the Literacy Room we will concentrate on learning the letter “Rr” and the sound for “Rr.” We will review the other letters we have practiced in our journals and while playing games. Some of the older children have been working on some sight vocabulary words and are doing a special project.
