Liliana’s Grandmothers

Special Events
Tumble Bus
Ms. Pat’s Class
Field Trip
Family Photos

Memo
This week we will continue to talk about our homes and our families. We will compare ways we as families are alike and different. We will make house picture collages using photos brought from home. We would appreciate your pictures by Tuesday. We will do another Alphabet Station and will introduce our new Math Station. We will use shaving cream, play dough and finger paint to help strengthen our hand muscles and improve our fine motor skills. Ms. Pat’s group will go to the Children’s Museum on Wednesday. Please look for the sign up sheet.

Thanks, Shari, Keon, Delois and Pat
