Memo:
On March 10th Ms. Keon will take her group to see Petite Rouge “Little Red Riding Hood” at the Rose Theater. Ms. Shari’s Group will go on Wednesday, March 11th.

There are several versions of this fairy tale. We will be seeing the Cajun version. We plan to read several versions to the children. Several of our activities for the week will be centered around this particular story. We have some puppets we will use to retell the story. We will “sew” on Styrofoam and weave using plastic baskets. We will also discuss stranger danger with the children. In the literacy room the older children will finish the booklets they started. The other groups will work in their journals.
