- Little Critter—Just a Mess

*Remember*
The Center is Closed Monday in observation of Memorial Day

This week the preschoolers will continue to learn about different authors and read many of our favorite books. We will read books by Mem Fox who wrote the Magic Hat, Mercer Mayer who writes the Little Critter books and Stan and Jan Berenstein who write the famous Berenstein Bears series of books.

We will make our own magic hats to wear and also make our own mask to go along with the Berenstein Bears story Stage Fright. The children will have the chance to enjoy water and finger painting. This week we will also do many cutting activities, which will help all the children develop and improve their eye-hand coordination.

During this week we will continue to enjoy nature classroom activities such as writing in our nature journals, playing on the tree cookies and performing our own magic show on the outside stage.
