Preschool Activities
May 4th– May 8th
Weird Science

Books we will Read
- Gladys's Goes Out to Lunch
- Albert and the Obleek
- Pulleys and Levies

Special Events
- Tumble Bus

Memo:
We plan on having a week of interesting activities. The children will be involved in making several goop and glop recipes, as well as snack activities. We will experiment with magnets, oil and water and even create a volcano! We are learning several new songs and expanding on our literacy activities on Friday afternoons with the help of a student employee, Ms. Melissa.

Shari, Keon and Annie
