Farmers' Garden
Farm Equipment
Big Fat Hen
The Big Sneeze

Special Events
Gifford Farm
Farm Flannel Board Stories
Farm Mural

Things We Will Do
Paint with Corn, Plant seeds, Sort Animals, Animal Memory game

Memo To Parents

The children will be painting with corn several different ways to discover the different patterns they can make. They will plant seeds and be able to watch them grow and have the responsibility of taking care of their plant. After seeing the farm, the preschoolers will have good ideas to put into their mural of the farm.
