Preschool Activities
The Rainforest
August 25th-August 29th

Books we will Read
Creepy Crawly Things

Special Events
Stage Activities

Things We Will Do
We will make snakes, birds, an alligator, butterflies and tree frogs.

Memo To Parents:
The preschoolers will continue to create the magnificent rainforest. Please stop in and see our progress. We hope to finish our rain sticks and we would appreciate any heavy paper towel rolls you may have. We have regrouped the children for literacy sessions. We have done some work in our journals and have played some alphabet games. We are also expanding our outdoor activities to include time for doing science journals.

Shari, Keon, Delois, and Pat
