Memo:
This week we are going to talk about and observe the colors of autumn. We will do dobber art using fall colors. We will sponge paint apples and weigh apples. We will make a colorful tissue collage and we will discover what happens when we mix colors together. We will sort items by color and enjoy playing with fall colored play dough. We will also make pumpkins out of clay. We will play an apple matching game and a leaf matching game. It will be a fun filled week.
