Act out Stories

Things We Will Do
Make a class train, act out stories
Friendship Butterflies

Memo to Parents
We are excited about welcoming our preschoolers to school. We will go over classroom rules. We will talk about being a school family. In the Literacy Room the children have worked on recognizing and printing their names. We will read Chicka, Chicka Boom, Boom and make the alphabet tree. The children will display the first letter of their names on the tree. We will make a preschool train and talk about things we can do.

Shari, Keon, Delois and Pat
