One of the Toddlers favorite places to visit is the Zoo. This week we will spend time painting our version of animals we see there. The children will pretend to fix food for the animals, feed them, and learn to be the best zookeepers ever! We will even make cut out sandwiches for snack in the shape of animals. Be sure to vote for your favorite animal each day and watch for the final results on Monday, March 12.

- I Love My Rooster

****Memo to Parents

Please be sure to do the question of the week each day with your child when they arrive at school. The question may change daily - depending on our theme. This is a chance for you and your child to share a literacy lesson. As you are leaving in the mornings, slow down at the window. A child’s day is off to a good start after a final wave.

Thanks,

Du Rell, Laura, Corey, and Erin
