This week, we will introduce the different components that make up "our town." We will have grocery store, a hospital, a fire station, a post office, and a school. The toddlers will have the opportunity to pretend play in each of the interactive areas, getting a chance to exercise those very active imaginations.

**Books we will read**
- Jamberry
- Doctor Book
- Great Valentine's Day Surprise
- Firefighters A-Z
- Friends at School

**Songs and Finger Plays**
- Apples and bananas
- You are my doctor
- Mail myself to you
- This is the way we put out the fire
- The wheels on the bus

****Memo to Parents****

*For the safety of all of the children* if you are bringing in any medication for your child, please be sure to give it to a teacher. Please do NOT leave it in the your child's cubby.

Thanks,
Du Rell, Laura, Corey, and Erin
