The toddlers will be experimenting with the five senses this week. They will be doing activities that will engage them in seeing, feeling, smelling, hearing, and tasting. Baking cookies on Friday will probably be their favorite but, making their own musical instrument is sure to be a hit too. On Wednesday, the first day of Spring we will do an experiment with eggs. Do you think we can make an egg stand up all by itself?

**Books we will read:**
- Five Senses, Sight
- Five Senses, Hearing
- Five Senses, Touch
- Five Senses, Smell
- Five Senses, Taste

**Songs and Finger Plays**
- Head Shoulders Knees & Toes
- Polar Bear, Polar Bear
- Hokey Pokey
- Did You Ever Smell
- I Like To Eat Apples and Bananas

****Memo to Parents****

Please bring an empty (throw away) water bottle on Monday for an art project that we will be doing on Tuesday morning. Any size and color is OK. If you have an extra please send it also.

Thanks,
Du Rell, Laura, Corey, and Erin
