When Do My Benefits Begin?
If you are in a benefit eligible position and are scheduled to work at least 20 hours per week (1,040 hours per year), you are eligible for benefits. Coverage begins the first of the month following your hire date, unless your hire date is the 1st, then coverage would begin that day. Enrollment must be completed within 31 days of your hire date. Outside of new hire enrollment, unless you experience a family status change (see page 26), you are locked into your elections until the next open enrollment period, which takes place every fall.

How Do I Enroll?
Enrolling for your benefits is easy and convenient. With one sign-on, you will use your NetID and BLUE password (how you log in to the network, view your email, etc.) to get into the ADP employee and staff Benefits System. Here’s how:

**STEP 1:** Go to my.creighton.edu/#/quicklaunch
**STEP 2:** Click the Employee Benefits icon
**STEP 3:** Enter your NetID and BLUE password*
**STEP 4:** Follow the system instructions to enter your dependents, beneficiaries and sign up
**STEP 5:** Print or save a confirmation statement

Frequently Asked Questions

What does UnitedHealthcare do?
Our plan is self-insured, which means UnitedHealthcare administers the payment of claims according to our medical plan benefits. They negotiate rates with hospitals and doctors on your behalf and offer a variety of wellness benefits and resources, while Creighton and you pay the bills.

What comes out of my pay?

Annual Premium
The annual cost to purchase medical coverage is spread across the year, so you pay a portion of it each pay period. Annual premiums differ based upon the plan you elect and the number of dependents you cover. Your premium will also be based on whether or not you completed SimplyWell.

What will I pay when I begin receiving medical care?

Annual Deductible
You won’t pay for in-network preventive care covered under health care reform, such as your annual wellness visit. Generally, for all other covered care, including visits to the doctor, you’ll pay the amount of your annual deductible before the plan starts to pay.

What’s the most I’d have to pay out of my own pocket?

Out-of-Pocket Maximum
This is the most you’d pay for covered medical services in a calendar year. Think of it as your financial safety net. Once you meet it, the plan pays the full cost of additional covered care.
**Health4Me App**

UnitedHealthcare’s Health4Me app provides instant access to you and your family’s critical health information—anytime/anywhere. Whether you want to find physicians near you, check the status of a claim or speak directly with a nurse, Health4Me is your go-to resource for everything related to your health.

**Key features include:**
- Search for physicians or facilities by location or specialty
- Virtual Visits
- Locate urgent care facilities and emergency rooms
- View and share member health plan ID card information
- Contact an experienced registered nurse at any time for advice on any kind of medical question
- Check status of deductible and out-of-pocket spending
- View claims

**Virtual Visits**

Virtual Visits allow you to see a medical professional via mobile device or computer at any time and in any location, no appointment needed. When you’re sick and need care quick, a Virtual Visit is a convenient way to start feeling better faster. An estimated 25 percent of ER visits could be treated with a Virtual Visit, saving you time and money. Get care in about 20 minutes, and with your UnitedHealthcare plan, your cost is $40 or less. The doctor can give you a diagnosis and prescription, if needed.

To prepare for your Virtual Visit all you need is your health plan ID card, credit card and a pharmacy location.

**Use Virtual Visits for these minor medical needs:**
- Bladder/urinary tract infection
- Bronchitis
- Cold/flu
- Fever
- Pinkeye
- Rash
- Sinus problems
- Sore throat
- Stomachache

Go to [uhc.com/virtualvisits](http://uhc.com/virtualvisits) to get started and answer any questions.

Campus Pharmacy and Prescription Drug Plans

The Creighton University Campus Pharmacy provides patients with comprehensive services through innovative educational opportunities and a commitment to patient care and well-being. Enrollment in a medical plan gives you coverage for prescription medications, but the amount paid depends on the plan you choose. CCAP members benefit from contracted rates at UnitedHealthcare (UHC) Pharmacies, and have the cost count toward deductible and the out-of-pocket maximum. The prescription cost for PPO plan members is counted toward the out-of-pocket maximum only.

Dependent Verification Notice

In an effort to meet the University’s fiduciary responsibility for our self-insured medical, dental and vision plans, Creighton has partnered with Aon Hewitt’s Dependent Verification Center to independently manage the process of verifying eligibility for all enrolled dependents. If you enroll a spouse/dependent(s) on the plans you will be sent a letter requesting documents such as a government issued marriage license/certificate, birth certificates (listing parent’s names) for children, or other acceptable documents that validate current relationship(s). The letter will list document options, explain how to complete the verification and where to go with questions. Your attention and timely response to the request will ensure your dependents remain covered.

Important Notices

Your HIPAA Privacy Rights

Under the Health Insurance Portability and Accountability Act of 1996 (HIPAA), you are entitled to know about how Creighton and our benefit providers use personal medical information about you and your covered dependents. Creighton is committed to protecting the privacy of your personal information and will disclose information about you only under limited circumstances. For a full description of your rights and the terms under which Creighton and Creighton’s benefit providers may disclose personal medical information, please refer to your health plan SPD or to the HIPAA Privacy Notice on Creighton’s Office of Research and Compliance Services website: (creighton.edu/researchcompliance/irb/hipaa/index.php)

Women’s Preventive Care

Creighton University qualifies under the religious employer exemption, so UnitedHealthcare will continue to administer coverage and payment for covered preventive care medications and services through a Contraceptive Services Only plan. Enrollment in this separate policy is required (once you’re enrollment in the Creighton plan is set up/you have cards) and can be requested by calling 866.802.8602. Upon enrollment, plan materials and a separate ID card will be mailed to the participant’s home.

The Affordable Care Act required coverage of FDA-approved contraceptive methods for women at 100%, without charging a copayment, coinsurance or deductible, when filed at a network pharmacy. Therefore, Tier 1 contraceptives will be available at no cost to women who remain covered or enroll in the Contraceptives Services Only plan.

Other Notices

Additionally, you can find the following legal notices at creighton.edu/hr/benefits:

- Medicare Part D—Notice of Credible Coverage
- Premium Assistance under Medicare and Children’s Health Insurance Program (CHIP)
- Newborns’ and Mothers’ Health Protection Act
- Summary of Benefits and Coverage (SBC):
  As a result of the Patient Protection and Affordable Care Act, Creighton University is required to provide standardized Summaries of Benefits and Coverage (SBCs). The SBCs summarize, in a standard format, important information about the University’s health plans.

The Women’s Health and Cancer Rights Act

As required by the Women’s Health and Cancer Rights Act of 1998, each medical plan provides the following medical and surgical benefits with respect to mastectomy:

- Reconstruction of the breast on which the mastectomy has been performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses and treatment of physical complications of all stages of the mastectomy, including lymphedema.

These services must be provided in a manner determined in consultation with the attending physician and the patient. This coverage may be subject to annual deductibles and coinsurance applicable to other such medical and surgical benefits provided under the plan.

Flexible Spending Accounts

What is a Flexible Spending Account? An FSA allows you pay for eligible expenses with pre-tax dollars from your paycheck. The funds are deposited into a special account that can be used to pay for certain health care and dependent child/elder care expenses. By having a Flexible Spending Account, you are better able to plan and manage your medical expenses.

There are three accounts to choose from:

- Health Care FSA
- Limited Purpose FSA (for those enrolled in CCAP; a High Deductible Health Plan with the option of an HSA)
- Dependent Care FSA (for children under age 13, or adult day care)

The Health Care and Limited Purpose FSAs are limited to $2,700 per faculty and staff. If both you and your spouse have the option to enroll in a health care FSA, you can each contribute $2,700. The Dependent Care account is limited to $5,000 per household.

Why should I enroll in an FSA? An FSA can help reduce your taxes and increase your take-home pay, giving you more money for the things you really need. You’ll pay less in taxes because you are not paying federal or state income or Social Security/Medicare taxes on the money you contribute to an FSA. Having an FSA could save you up to 30% in what you pay in taxes.

Health Care FSA
A Health Care FSA helps you pay for eligible out-of-pocket health care expenses that your insurance does not cover. Generally, eligible health care expenses include, but are not limited to:

- Copays, deductibles and coinsurance
- Eyeglasses, contact lenses, solution/supplies
- Prescriptions (covered by the plan or not)
- Laser eye surgery
- Diabetic supplies
- Dental care (excluding cosmetic treatment)
- Hearing aids
- Orthodontia
- Over-the-counter (OTC) items such as bandages, contact solution and denture adhesives

**Though many OTC items are eligible, you will need a written prescription to be reimbursed for OTC medicines and drugs.

Limited Purpose FSA
A Limited Purpose FSA (LPFSA) is for CCAP medical plan participants and is limited to only dental and vision expenses. By using an LPFSA for dental and vision expenses, health savings account money can be conserved for the future.

$500 Carryover Provision
All FSAs have a use-it-or-lose-it rule. However, Creighton adopted an IRS provision that allows Health Care FSA and LPFSA plan participants to roll over up to $500 into the next plan year. This means if you don't spend all of your health or LPFSA money, you can use it in the following plan year. If you have more than $500 in unclaimed funds remaining, that money will be lost after the end of the plan year. The $500 carryover does NOT apply to the Dependent Care FSA.

*Based on 5.65% FICA and 15% federal tax. Note: (1) this is for illustrative purposes only; (2) everyone’s tax situation is different; and (3) member should consult a tax advisor.
Dependent Care FSA
A Dependent Care FSA helps you pay for child or adult day care costs incurred while you and, if married, your spouse work, look for work or attend school full-time. The expenses must be work related, so if just one of you is working, the other spouse must be looking for work, be a full-time student or be unable to care for themselves. The cost of care must be for your child(ren) under age 13 or for a spouse or dependent who is not able to take care of themselves, and you are able to claim them as a dependent on your federal tax return. This FSA helps you to pay for expenses such as:
• Before and after school programs
• Nursery school or preschool
• Day care (child and adult)
• Summer day camp
The Dependent Care FSA limit is $5,000. This limit is per household.

Getting Reimbursed Is Quick and Simple!
• PayFlex will send you a debit MasterCard®. The card works best at the pharmacy and at some daycare providers. You can use it to pay other providers, but you will most likely be asked to submit receipts later.
• For expenses like a physician or dentist’s office, hospital or optical center, file a claim with the insurance Explanation of Benefit (EOB) statement (available on myuhc.com or metlife.com) or receipt on payflex.com.
• Be sure to sign up for direct deposit for faster reimbursement! When your personal checking account receives the reimbursement deposit, use that money to pay the provider directly.
• For Dependent Care, claims can only be submitted after the last date of service has passed, but you can submit more than your monthly deposit amount. For example, your provider requires payment for the month in advance, so you pay them $500. At the start of the following month, you can file a claim for $500 even if your monthly payroll contribution was a lesser amount.

Things to Remember:
PayFlex offers many tools at payflex.com to help you evaluate your choices including Pete, your virtual PayFlex advisor (payflex.jellyvision-conversation.com).
Use your FSA for you, your spouse or other tax dependent’s eligible expenses, even if they are not on Creighton’s medical, dental or vision plan.
• The Health Care, Limited Purpose FSA and Dependent Care FSA are separate accounts. You cannot transfer money between the three accounts.
• Once you enroll in an FSA, you may only change your election within 31 days of a qualifying event like marriage, birth, divorce, death, change in coverage or provider (for Dependent Care). Call a member of the benefits team in Human Resources (402.280.2709) to discuss your situation or change. Don’t delay as changes cannot be made after the 31-day window.
• Expenses are based on date of service, not when you paid the provider. You can only enroll in an FSA during your new hire enrollment period, or annually during open enrollment. You must enroll each year if you want to participate again the next year.
• You have until March 31, 2019 to submit claims for expenses incurred in 2018.
Health Savings Account (HSA) for CCAP

A major benefit to enrolling in CCAP is access to an HSA where you contribute pre-tax dollars to pay for expenses. And, if you complete the SimplyWell health questionnaire and screening, Creighton will contribute to your HSA account! Money contributed to this account continues to grow year after year and will always remain tax-free if used for medical, dental or vision expenses.

HSA funds are real money, and it’s your money to use now or to save for future medical, dental or vision expenses.

The benefits of an HSA include:

- An HSA does not require third party substantiation for transactions; however, you should keep records of these transactions in the event of an IRS audit.
- HSAs give you flexibility to change payroll contributions as needed during the year. You can even make a lump sum deposit; call HR for details.
- The money continues to grow and roll over from year to year, and there is no use-it-or-lose-it rule!
- If you leave Creighton, you can take your HSA (the account) with you.
- HSA dollars not spent on health care now can be used for COBRA premiums or carry over into retirement.
- You also have the option of enrolling in a Limited Purpose FSA with PayFlex. You would use these monies to pay for eligible dental and vision expenses, thereby preserving your HSA funds.

See page 14 for more information on FSAs.

A maximum of $3,450 (EE only coverage) or $6,900 (EE+dependents) can be deposited in your HSA in 2018. This is a combination of what you and Creighton contribute to the account. Participants age 55 and older can add $1,000 to the annual maximum contribution.

Other important facts include:

- HSA accounts are administered by PayFlex.
- Creighton will pay the account fees for active faculty and staffs enrolled in the CCAP plan.
- Enrollees are mailed a welcome packet from PayFlex to open the HSA account through payflex.com. If you have questions, contact Customer Service at 800.284.4885.
- HSA contribution limits for 2019 are $3,500 single/ $7,000 family; this includes both faculty and staff and employer contributions. Those age 55 and older may contribute an additional $1,000. You must ensure contribution limits are not exceeded.
- HSA funds used for expenses not related to health care (eligible medical, dental or vision expense) are subject to a 20% tax penalty.
- Your HSA funds can be used for over-the-counter drugs and medicines such as allergy medicine, antacids, cold medicine and pain relievers, but only if a prescription is obtained prior to the purchase.
- If you are 65 or older and have not enrolled in any part of Medicare, you are still eligible to contribute to an HSA.
Creighton Provided Benefits

As a benefit eligible faculty and staff, the University provides you with certain basic coverages at no cost.

**Group Term Life Insurance**
The University pays for a policy equal to one times your annual salary to a maximum of $100,000 with Mutual of Omaha. Per IRS requirements, coverage amounts over $50,000 are subject to automatic withholding for Group Term Life taxation, which is shown on your pay stub as “NC GTL Income”. Designate beneficiaries online when you enroll for benefits. All faculty and staffs are encouraged to review and update beneficiary information during Open Enrollment, but changes can be made at any time.

**Long-Term Disability Insurance**
This coverage provides a taxable benefit of 60% of your base monthly salary following a 90-day elimination period. Creighton provides this coverage through Mutual of Omaha automatically for all benefit eligible faculty and staffs. Pre-existing conditions do apply so consult the Benefits Summary found on the HR/ Benefits website. “Tax Choice” gives you the option to pay the full LTD premium now with after-tax dollars in order to receive tax-free benefits should you file a claim. If you are considering this option, call Human Resources with questions.

---

**Disability Benefits**
If you’re sick or injured and unable to work, how will you pay bills once your sick days run out? A lengthy disability can be devastating, and is more common than you think. It can result in a loss of income, independence and financial security. Consider how long your savings would pay for:

- Mortgage or rent
- Credit cards and other debts
- Health care
- Groceries
- Utilities
- Car payments
- Other transportation
- Clothing

Your ability to earn an income may be your most important asset. People don’t think twice about insuring their home, car or health, but many do not recognize the need to insure their income. Creighton offers both short and long term disability coverage through Mutual of Omaha that pays benefits when you’re sick or hurt and can’t work. It also gives you piece of mind so you can recover faster and return to work sooner.

**What Are My Benefits?**
(See the chart below)

**Additional benefits include:**
- No medical questionnaire is needed; guarantee issue annual enrollment.
- Coverage continues at no cost to you while you are receiving benefits.
- Partial disability benefits reward you for returning to work part-time.
- Benefits are paid to your beneficiary in the event of your death.

**What do these benefits cost?**
- Short-term premiums are individualized, based on your salary.
- When you enroll in benefits you will see the per pay period cost.
- Long-term disability premiums are paid for by Creighton (except Long-Term Disability Tax Choice).

**How do I enroll?**
- You will be automatically enrolled in both long and short-term disability.
- When you enroll for your other benefits, if you wish to decline short-term disability coverage, choose “No Coverage”.
- Short-term disability is paid for with after-tax dollars so you can decline coverage at any time.
- Long-term coverage is free and you cannot decline enrollment.

Voluntary Term Life
To provide added financial stability, Creighton offers a voluntary term life insurance option for you, your spouse and your child(ren). This plan offers coverage at group rates with after-tax payroll deductions. You can enroll at any time, but enrollment after your new hire election period will require completion of an Evidence of Insurability form and subsequent underwriting approval. Benefits are effective the first of the month following your hire date or when granted approval after underwriting review. Should you wish to apply for additional coverage, go to Mutual of Omaha’s website at mutualofomaha.com/eoi. When asked, specify Group G000 20W8.

Rates increase as you age. Spouse coverage is limited to half of the Faculty and staff’s election; if you elect $60,000 of coverage, your spouse could elect up to $30,000 of coverage. You must elect coverage in order to elect spouse or dependent coverage. If both spouses work for Creighton, dual coverage is NOT allowed (you cannot cover your spouse, and they cannot cover you).

**Identity Monitoring**
Every purchase leaves a footprint behind, taking on a life of its own, which can put your identity at risk. ID Watchdog’s advanced identity monitoring scours billions of public records to search for signs of potential identity theft.

- We include subprime loan monitoring so we can alert you if we detect easy-to-obtain loans opened in your name, like payday loans that can be indicators of possible identity theft.
- We monitor the Dark Web for your personal information, scanning websites, chat rooms, and other forums known for trafficking stolen personal and financial information.
- We check the USPS National Change of Address Registry to help you detect theft sooner in case thieves reroute your mail to a new address.

**Credit Monitoring Services**
Every online transaction leaves a fingerprint behind, taking on a life of its own, which can put your credit at risk. Credit monitoring from ID Watchdog helps keep you in the know alerting you to key changes to your credit report(s) and activities to your bank accounts and credit cards that might indicate potential fraud.

Except for students, all faculty and staff are eligible to participate.

• You can enroll online and check account balances at principal.com or by calling 800.547.7754.
• Contribute up to 90 percent of eligible compensation (subject to IRS limits: $19,000 deferrals, $6,000 catchup deferrals, and $280,000 eligible compensation for 2018.)
• Pre-tax and after-tax (Roth) contribution options available.
• Company match made with pre-tax dollars.

The Creighton University Wellness Program provides all benefit-eligible faculty and staff with the opportunity to participate and engage in health promoting programs and activities year round and earn rewards for their efforts.

Wellness Programs include health education seminars, fitness classes, wellness challenges such as Active YOU All Summer, lifestyle management programs like P.E.A.K. Weight Management or Lose and Win, along with individual coaching and attention as needed to help each individual reach their goals.

Faculty and staff wellness is not new to Creighton. In fact the University has had strong support in this area for almost 30 years. Whether you want to quit smoking, lose weight, reduce your stress or get in shape, the Wellness Program provides you the tools and resources that will help you reach your wellness potential. To encourage healthy activity, access to our on-campus fitness facilities is free. To learn more, view the Campus Recreation webpage at: creighton.edu/studentlife/campusrecreationintramurals/index.php

The cornerstone for an excellent program is a health questionnaire. Creighton uses SimplyWell, a medically based online health management program that integrates a health questionnaire and all of our Creighton Wellness Program offerings into one, point-based, confidential, secure and completely HIPAA compliant program.

Members of the Creighton Wellness Program are entitled to many privileges. Individuals that enroll/reenroll in the Program will receive information about all of the wellness options available to participate in at work. Members will also receive special invitations about upcoming, new healthy lifestyle initiatives and the opportunity to redeem prizes in the new online incentive store. Redeem points when you want, for what you want, and prizes will be delivered to your home. Depending on the dollar value redeemed, taxes on the value may need to be withheld from your final payroll check in December.

Pre-Tax Deductions and Benefit Changes

Deductions for medical, dental, vision and other benefits are taken on a pre-tax basis.

Pre-tax deductions means that you don’t pay taxes on those dollars, thereby reducing your taxable income. Once you enroll in pre-tax benefits, either as a new hire or during Open Enrollment, your choices will remain in effect for the rest of the plan year unless you experience a “family status change”. Federal law sets specific rules about changes that can be made to benefit elections when premiums are paid on a pre-tax basis.

Examples of Family Status Changes are:

- Change in legal marital status (marriage, divorce, death)
- Change in the number of dependents (birth, adoption, death)
- Change in employment status that affects coverage (new/termination of employment, or change in hours worked by a dependent spouse)
- Loss or gaining of other coverage

Changes must be made within 31 days of the event. Log in to the Faculty and staff Benefits system through my.creighton.edu, or call the Solutions Center at 866.903.8216, the day following the date you lose or gain coverage to make your coverage changes.

The requested change must be consistent with the event. While you can change who is covered under the health plan with a qualified event, you may not change the health plan option currently in force (i.e., you cannot change from CCAP to PPO1 after having a baby). Human Resources requires documentation to substantiate coverage changes. Do not wait for documentation to notify us of your need to make a change.

Notification of your qualified status change MUST be made within 31 days of the event date. If you do not request a change within 31 days of the event date, your next opportunity to make changes is Open Enrollment, effective the first of the following year. If you have questions, or if your status change is a divorce, please email the Benefits team at benefits@creighton.edu.
