In order to be eligible for assistance from Our Social Security claimant advocacy program, You must be receiving Monthly Benefits from Us. We can arrange for advice regarding Your claim and assist You with Your application or appeal.

Receiving Social Security benefits may enable:

Explanation of Other Income Benefits

You must apply for Other Income Benefits for which You are or may become eligible and do what is needed to obtain them. If Your Social Security application is denied, You must appeal the decision by Social Security to a level that is satisfactory to Us and provide written proof of all levels of appeal.

As part of Your proof of Disability, We require that You furnish evidence to Us that You have applied for Other Income Benefits for which You are or may become eligible.

After the first reduction for each of the Other Income Benefits, We will not further reduce Your Monthly Benefit due to any cost of living increases payable under these Other Income Benefits.

Other Income Benefits that are paid in a lump sum will be prorated on a monthly basis over a period for which the sum is given. If no time period is stated, the sum will be prorated on a monthly basis over the lesser of the following:

- (a) The Policy's Maximum Benefit Period; or
- (b) 60 equal payments.

If Other Income Benefits which are paid in a lump sum are paid on a retroactive basis, then we may adjust the Monthly Benefit to recover any overpayment.

Until You have signed Our Reimbursement Agreement and have given written proof to Us that application has been made or all available appeals have been exhausted for Other Income Benefits, We may:

- (a) estimate Your Other Income Benefits; and
- (b) reduce Your Monthly Benefit by that amount.

If We reduce Your benefit on this basis, and if all of Your appeals are denied, We will restore the reduced amounts to You in one payment.

- (d) there must be reasonable expectation that rehabilitation services will help You return to active employment.

All vocational rehabilitation programs will be developed with input from You, Your physician, Your employer and Us and described on an Individual Written Rehabilitation Plan (IWRP), which states:

- (a) the vocational rehabilitation goals;
- (b) the responsibilities of Us, You and any third parties associated with the IWRP;
- (c) the times and dates of the vocational rehabilitation services; and
- (d) all costs associated with the services.

Either We, Your physician, or You may initiate consideration for Your participation in vocational rehabilitation. Failure to participate without good cause will result in reduction or termination of Disability benefits. Reduction of benefits will be based on Your income potential if You were employed after a vocational rehabilitation program.

Definitions

Good Cause means documented physical or mental impairments not identified in Your existing disability claim that:

- (a) renders You incapable of rehabilitation;
- (b) interferes with a medical program You are currently participating in; or
- (c) conflicts with any other program You are participating in that will allow You to return to active employment.

We will make the final determination of any vocational rehabilitation services provided, eligibility for participation and any continued benefit payments.

The definition of Disability will not apply during the term of the vocational rehabilitation program but will be reapplied after such program ends.

PAYMENT OF CLAIMS

How To File Claims

It is important for You to notify Us of Your claim as soon as possible so that a claim decision can be made in a timely manner. Before Your claim can be considered, We must be given a written proof of loss, as described below. In the event of Your death or incapacity, Your beneficiary or someone else may give Us the proof.

Proof of Loss Requirements

1. First, request a claim form from the Plan Administrator or from Us.

This request should be made:

- (a) within 20 days after a loss occurs; or
- (b) as soon as reasonably possible.

When We receive the request, We will send a claim form for filing proof of loss. If You do not receive the form within 15 days of Your request, You can meet the proof of loss requirement by giving Us a written statement of what happened. Such statement should include:

- (a) that You are under the Regular Care of a Physician;
 - (b) the appropriate documentation of Your job duties at Your regular occupation and Your Basic Monthly Earnings;
 - (c) the date Your Disability began;
 - (d) the cause of Your Disability;
 - (e) any restrictions and limitations preventing You from performing Your regular occupation;
 - (f) the name and address of any Hospital or institution where You received treatment, including attending Physicians.
2. Next, You and Your employer must complete and sign Your sections of the claim form, and then give the claim form to the Physician. Your Physician should fill out his or her section of the form, sign it, and send it directly to Us.
 3. The claim form should be sent to Us within 90 days after the end of Your Elimination Period; or as soon as reasonably possible. If it is not possible to give Us proof within 90 days, it must be given to Us no later than one year after the time proof is otherwise required, unless the claimant is not legally capable.

How Claims are Paid

Benefits will be paid monthly after We receive acceptable proof of loss.

Benefits will be paid to You, except benefits due but unpaid at Your death may be paid, at Our option, to:

- (a) any member of Your family; or
- (b) Your estate.

This provision does not apply to any Survivor Benefits payable under the Policy.

Examination

We sometimes require that a claimant be examined by a Physician or vocational rehabilitation expert of our choice. We will pay for these examinations. We will not require more than a reasonable number of examinations.

Overpayments

We have the right to recover any overpayments due to:

- (a) fraud;
- (b) any error We make in processing a claim; and
- (c) Your receipt of Other Income Benefits.

You must reimburse Us in full. We will determine the method by which the repayment is to be made.

We will not recover more money than the amount We paid You.

Authority to Interpret Policy

Policy benefits will be paid only if We determine, in Our discretion, that the claimant is entitled to benefits under the terms of the Policy (see the Authority to Interpret Policy provision in the ERISA Summary Plan Description information included with the Certificate).

DISABILITY CLAIM REVIEW PROCEDURES

(As Federally Mandated)

DEFINITIONS

An “**Adverse Benefit Determination**” means a denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part) for a benefit, including any such denial, reduction, termination, or failure to provide or make payment that is based on a determination of Your eligibility to participate in a plan.

A document, record, or other information will be considered “**Relevant**” to a claim if it:

- (a) was relied upon in making the claim decision;
- (b) was submitted, considered, or generated in the course of making the claim decision, without regard to whether it was relied upon in making the claim decision;
- (c) demonstrates compliance with administrative processes and safeguards designed to ensure and verify that claim decisions are made in accordance with the Policy and that, where appropriate, Policy provisions have been applied consistently with respect to similarly situated claimants; or
- (d) constitutes a statement of policy or guidance with respect to the Policy concerning the denied benefit for the diagnosis, without regard to whether such advice or statement was relied upon in making the claim decision.

INITIAL CLAIM DECISION

Initial Claim Decision. We will make a claim decision regarding Your disability claim within 45 days after Our receipt of the claim.

Extensions. This 45 day period may be extended for up to 30 days, if We (1) determine that such an extension is necessary due to matters beyond Our control and (2) notify You, prior to the expiration of the initial 45 day period, of the circumstances requiring the extension and the date by which We expect to render a decision. If, prior to the end of the first 30 day extension period, We determine that, due to matters beyond Our control, a decision cannot be rendered within that extension period, the period for making the decision may be extended for up to an additional 30 days; provided that We notify You, prior to the expiration of the first 30 day extension period, of the circumstances requiring the extension and the date as of which We expect to render a decision.

Notice of Extension. Our notice of extension will specifically explain the standards on which entitlement to a benefit is based, the unresolved issues that prevent a claim decision and the additional information needed to resolve those issues. You will have 45 days within which to provide the specified information.

(****)

Time Periods. The period of time within which a claim decision is required to be made will begin at the time a claim is filed, without regard to whether all the information necessary to make a claim decision accompanies the filing. If a period of time is extended as described above due to Your failure to submit information necessary to decide a claim, the period for making the claim decision will be “tolled” or suspended from the date on which notice of the extension is sent to You until the earlier of: (1) the date on which We receive Your response; or (2) the date established by Us in the notice of extension for the furnishing of the requested information.

NOTICE OF ADVERSE BENEFIT DETERMINATION

We will provide written or electronic notice of any Adverse Benefit Determination within 45 days after Our receipt of the claim, subject to the extensions described above. The notice will include:

- (a) the specific reason(s) for the Adverse Benefit Determination;
- (b) reference to the specific Policy provision(s) on which the Adverse Benefit Determination is based;
- (c) a description of any additional material or information necessary to complete the claim and the reason We need the material or information;
- (d) a description of the Policy’s appeal procedures, including the time limits for such procedures and Your right to bring a civil action under the Employee Retirement Income Security Act (ERISA) following the appeal process;
- (e) if an internal rule, guideline, protocol, or other similar criterion was relied upon in making the Adverse Benefit Determination, a statement that it was relied upon in making the Adverse Benefit Determination and that a copy of such rule, guideline, protocol, or other criterion will be provided free of charge to You upon request; and
- (f) if the Adverse Benefit Determination was based on a medical necessity or experimental treatment or similar exclusion, a statement that it was relied upon in making the Adverse Benefit Determination and that an explanation of the scientific or clinical judgment for the determination will be provided free of charge to You upon request.

APPEALS OF ADVERSE BENEFIT DETERMINATIONS

You may appeal within 180 days following Your receipt of notification of an Adverse Benefit Determination.

The request for an appeal should include:

- (a) Your name;
- (b) the name of the person filing the appeal if different from You;
- (c) the Policy number; and
- (d) the nature of the appeal.

You will have the opportunity to submit written comments, documents, records, and other information relating to the claim.

You will be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information Relevant to the claim.

Our review will take into account all comments, documents, records, and other information submitted by You relating to the claim, without regard to whether such information was submitted or considered in the initial claim decision.

Our review will not give deference to the initial Adverse Benefit Determination.

Our review will be conducted by an individual who is neither the individual who made the Adverse Benefit Determination that is the subject of the appeal, nor the subordinate of such individual.

We will identify any medical or vocational experts whose advice was obtained in connection with an Adverse Benefit Determination, without regard to whether the advice was relied upon in making the benefit determination.

In deciding an appeal of any Adverse Benefit Determination that is based in whole or in part on a medical judgment, the individual conducting the appeal will consult with a health care professional:

- (a) who has appropriate training and experience in the field of medicine involved in the medical judgment; and
- (b) who is neither an individual who was consulted in connection with the Adverse Benefit Determination that is the subject of the appeal, nor the subordinate of any such individual.

APPEAL DECISION

Notice of Appeal Decision. We will notify You of Our appeal decision within 45 days after receipt of Your timely appeal request, unless We determine that special circumstances require an extension of time for processing the appeal. We will provide You with written or electronic notice of Our appeal decision.

Notice of an Adverse Benefit Determination will include:

- (a) the specific reason(s) for the Adverse Benefit Determination;
- (b) reference to the specific Policy provision(s) on which the Adverse Benefit Determination is based;
- (c) a statement that You are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information Relevant to Your claim;
- (d) if an internal rule, guideline, protocol, or other similar criterion was used in making the Adverse Benefit Determination, a statement that it was used in making the Adverse Benefit Determination and that a copy of such rule, guideline, protocol, or other criterion will be provided free of charge to You upon request; and
- (e) if the Adverse Benefit Determination was based on a medical necessity or experimental treatment or similar exclusion, a statement that it was relied upon in making the Adverse Benefit Determination and that an explanation of the scientific or clinical judgment for the determination will be provided free of charge to You upon request; and
- (f) a statement of Your right to bring a civil action under ERISA.

Notice of Extension. If We determine that an extension is required, We will notify You in writing of the extension prior to the termination of the initial 45 day period. In no event will the extension exceed 45 days from the end of the initial period. The extension notice will indicate the special circumstances requiring the extension and the date by which We expect to render the appeal decision.

Time Periods. The period of time within which an appeal decision is required to be made will begin at the time an appeal is timely filed, without regard to whether all the information necessary to make an appeal decision accompanies the filing. If a period of time is extended as described above due to Your failure to submit information necessary to decide a claim, the period for making the appeal decision shall be “tolled” or suspended from the date on which the extension notice is sent to You until the earlier of (1) the date on which We receive Your response; or (2) the date established by Us in the notice of extension for the furnishing of the requested information.

PLAN YEAR

Each 12-month period beginning on January 1 is a Plan Year for the purposes of accounting and all reports to the United States Department of Labor and other regulatory bodies.

STATEMENT OF ERISA RIGHTS

As a participant in the Plan, You are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

(a) Receive Information About Your Plan and Benefits

- (1) Examine, without charge, at the Plan Administrator's office and at other specified locations, all documents governing the Plan, including insurance contracts and a copy of the latest annual report (Form 5500 Series) **filed** by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Pension and Welfare Benefit Administration.
- (2) Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The Plan Administrator may make a reasonable charge for the copies.
- (3) Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

(b) Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate Your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of You and other Plan participants and beneficiaries. No one, including Your employer, or any other person, may fire You or otherwise discriminate against You in any way to prevent You from obtaining a benefit or exercising Your rights under ERISA.

(c) Enforce Your Rights

If Your claim for a benefit is denied or ignored, in whole or in part, You have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps You can take to enforce the above rights. For instance, if You request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, You may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay You up to \$110 a day until You receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If You have a claim for benefits which is denied or ignored, in whole or in part, You may file suit in a state or Federal court. In addition, if You disagree with the Plan's decision or lack thereof concerning the qualified status of a medical child support order, You may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if You are discriminated against for asserting Your rights, You may seek assistance from the U.S. Department of Labor, or You may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If You are successful the court may order the person You have sued to pay these costs and fees. If You lose, the court may order You to pay these costs and fees, for example, if it finds Your claim is frivolous.

(d) Assistance with Your Questions

If You have any questions about Your Plan, You should contact the Plan Administrator. If You have any questions about this statement or about Your rights under ERISA, or if You need assistance in obtaining documents from the Plan Administrator, You should contact the nearest office of the Pension and Welfare Benefits Administration, U.S. Department of Labor, listed in Your telephone directory or the Division of Technical Assistance and Inquiries, Pension and Welfare Benefits Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about Your rights and responsibilities under ERISA by calling the publications hotline of the Pension and Welfare Benefits Administration.

PLAN DISCLOSURES

You are entitled to request from the Plan Administrator, without charge, information applicable to the Plan’s benefits and procedures. In addition, Your Certificate includes, as applicable, a description of:

- (a) employee eligibility requirements;
- (b) when insurance ends;
- (c) state or federal continuation rights; and
- (d) claims procedures; additional details shall be furnished upon request.

AUTHORITY TO INTERPRET POLICY

The Policyholder has delegated to Us the discretion to determine eligibility for benefits and to construe and interpret all terms and provisions of the Policy. Benefits under the Policy will be paid only if We decide, after exercising Our discretion, that the Insured Person is entitled to them. In making any decision, We may rely on the accuracy and completeness of any information furnished by the Policyholder, an Insured Person or any other third parties.

The Insured Person has the right to request a review of Our decision. If, after exercising the Policy’s review procedures, the Insured Person’s claim for benefits is denied or ignored, in whole or in part, the Insured Person may file suit and a court will review the Insured Person’s eligibility or entitlement to benefits under the Policy.

PLAN CHANGES

The persons with authority to change, including the authority to terminate, the Plan or the Policy on behalf of the Policyholder are the Policyholder’s Board of Directors or other governing body, or any person or persons authorized by resolution of the Board or other governing body to take such action. Please refer to the provision in Your Certificate entitled “Changes in the Insurance Contract” for additional information about how the Policy can be changed. The Policyholder is authorized to apply for and accept the Policy and any changes to the Policy on behalf of the Policyholder.

Maximum Capacity means, based on Your medical restrictions and limitations:

- (a) during the first 24 months of Disability payments, the greatest extent of work You are able to do in Your Regular Occupation; and

- (b) You receive Appropriate Care and Treatment.

Regular Occupation means the occupation You are routinely performing when Your Disability begins. Your regular occupation is not limited to the specific position You held with the Policyholder, but will instead be considered to be a similar position or activity based on job descriptions included in the most current edition of the U.S. Department of Labor Dictionary of Occupational Titles (DOT). We have the right to substitute or replace the DOT with a service or other information that We determine of comparable purpose, with or without notice. To determine Your regular occupation, We will look at Your occupation as it is normally performed in the national economy, instead of how work tasks are performed for a specific employer, at a specific location, or in a specific area or region.

Retirement Benefit means money which:

- (a) is payable under a Retirement Plan either in a lump sum or in the form of periodic payments;
- (b) does not represent contributions made by You; and
- (c) is payable upon the later of:
 - (1) early or normal retirement as defined in the Policyholder's Retirement Plan or under the U.S. Social Security Act; or
 - (2) Disability, if the payment does not reduce the amount of money which would have been paid at the normal retirement age under the plan if the Disability had not occurred.

NOTE: Regardless of how the retirement funds from the Retirement Plan are distributed, We will consider Your contributions and Your employer's contributions to be distributed simultaneously during Your lifetime.

Retirement Plan means a plan which provides Your Retirement Benefits and which is not funded wholly by Your contributions. The term shall not include a profit-sharing plan or a plan such as a 401(k), a thrift plan, an individual retirement account (IRA), a tax sheltered annuity (TSA), a stock ownership plan, or a non-qualified plan of Deferred Compensation.
