If you are a Creighton employee seeking medical care with Creighton Physicians or Creighton University Medical Center services, a Patient Navigator will:

- Assist you and your family in accessing care, resources and health education.
- Answer questions and walk you through care options from registration through discharge.
- Assist communication between you, physicians and providers.
- Help answer insurance and billing questions.
- Assist with follow-up care after discharge from the hospital.

Plus, all Creighton employees who have university insurance receive a **10% discount** off their co-insurance when using the Creighton University Medical Center. Other benefits include free valet parking by our courteous staff.

Your privacy is important to us and we want you to feel comfortable while at Creighton University Medical Center. As a patient at Creighton University Medical Center you have the right to every consideration of privacy concerning your own medical care. Case discussion, consultation, examination and treatment are confidential and should be conducted discretely. Your right, as a patient, to confidentiality of your clinical and personal information is required by law and is explained in greater detail in Creighton University Medical Center's Notice of Privacy Practices.

*“With a Patient Navigator  
by your side, all you have to  
worry about is getting well.”*
