If the answer is yes to either, please explain, including date, circumstances, present status. Please attach a separate sheet(s).

It is an opportunity for you to express your creativity and your own sense of who you are and who you want to become. You may choose any subject that interests you, however, we know some students may prefer to answer one of the following options as their personal statement.

- Discuss a meaningful achievement, experience, ethical dilemma, or challenge you have faced and its effect on you and your future.
- What are your short-term and long-term goals? How will attending Creighton University help you accomplish these goals?

We encourage you to be thorough.

Please include the following information on your resume:

- Whether your work was volunteer or paid.
- Whether your sport was varsity or not.
