Creighton Athletics Operation Bluejay

Operation Bluejay

Ultimately, the goal of the Operation Bluejay program is to develop relationships between local youth and the Creighton community, together we are working to make a difference.

Operation Bluejay is a program for Creighton student-athletes to volunteer and serve the community.

Community Service Initiative

Future Bluejays is a program that provides youth with the opportunity to attend and experience various Creighton athletic events. There are over 5,000 service hours completed each year.

Through the assistance of sponsors, over 240,000 coupons are distributed to Future Bluejay schools and organizations annually (each redeemable for four free admissions).

Sponsored by the Creighton University Jesuit Community, in association with the Deglman Center for Ignatian Spirituality.
