## School of Nursing Partners With Ignatian Spirituality Project Retreats

### Ignatian Spirituality Project

The Ignatian Spirituality Project (ISP) is national in scope and provides retreats for those who are homeless and seeking recovery. ISP was founded by Bill Creed, SJ in 1998. ISP is based out of Chicago, Illinois.

### Partnership

Restored Hope, Siena/Francis House, and Stephen Center selected women to participate in the spring and fall retreats.

May God's grace  
Be upon this shawl...  
warming, comforting,  
enfolding and embracing,  
May this mantle be a safe haven...  
a sacred place of security  
and well-being...  
sustaining and embracing in good  
times  
as well as difficult ones.  
May the one who receives  
this shawl be cradled in hope,  
kept in joy, graced with peace, and  
wrapped in love.  
Blessed Be!

### School of Nursing

Faculty and staff of Creighton's School of Nursing were instrumental in working with Molly Davies, ISP's Omaha Director to get prepared for and participate in the spring and fall retreats. Prayers and personal handwritten notes were offered in addition to material support.
