Ratio Studiorum Program (RSP) and Advising

RSP is Creighton's academic advising and orientation program for freshmen and sophomores. It introduces students to the requirements, challenges and rewards of life at Creighton.

RSP 100 is taught by Faculty Preceptors, who serve as first- and second-year academic advisors and assist with the development of a student's 4-year academic plan. Students examine such topics as Creighton's Jesuit heritage and values, academic integrity, and the core curriculum. Reading, writing and class discussion entertain issues of self-exploitation and self-discovery.

Learning Communities

Learning Communities allow students with shared academic interests and experiences to come together to discern options in pre-professional study. The seminars and co-curricular activities are designed and offered through the EDGE® to strengthen the candidacy of Creighton students as they prepare for the graduate/professional school application process. All Learning Communities provide students with opportunities for mentoring, shadowing and networking with pre-professional students, faculty and alumni.
