

# Early Career MATHEMATICIANS CONFERENCE

Creighton  
UNIVERSITY

College of Arts and Sciences  
Department of Mathematics

September 27 - 28, 2019 | 5:00 p.m. Friday – 2:00 p.m. Saturday

Creighton University | 2555 Burt St. Omaha, NE | Hixson-Lied Science Building

- Introduce undergraduate students to mathematical research
- Assist graduate students entering the job market in preparing for academic job interviews by giving 30 minute talks on their work to an undergraduate audience
- Provide information on applying for non-R1 jobs to graduate students and information on applying to graduate school to undergraduate students

Join with undergraduate and graduate students from various prestigious colleges and universities in the Midwest. Graduate students will gain experience presenting their work to an undergraduate audience, while undergraduates will be exposed to the wide spectrum of topics that encompass mathematical research. Limited funding for travel expense and lodging is available, so early registration is encouraged.
