

# **Senior Perspective Course;**

## **SRP 470/EDU 470/JPS 470 – Poverty In America**

Students in this class will live in the mountains of West Virginia and work with a community that serves those of the area in various forms of outreach. This outreach includes home repair, tutoring children, working with the elderly and/or homebound, gathering and cooking for community night, advocacy work...and coming to know the particular strengths and perspectives of those who deal with poverty day to day. Students will also work with and learn about sustainability methods as they are implemented by the community. (We have also had the opportunity to go whitewater rafting on past trips and hope to do the same this year!)

**This course fulfills the requirement for;**

- **A Senior Perspective Course**
- **A Certified Writing course**

**It is offered during Pre-Session (May 16<sup>th</sup> - June 4<sup>th</sup>)**

If you are interested, have questions or would like an application, please contact Alice Smith at 280-3623 or e-mail her at [alices@creighton.edu](mailto:alices@creighton.edu).
