III. Reports from Executives
   A. President: Do new business use Roberts Rules of Order  
      1. Tobacco Free:  
         i. Talked at the cabinet meeting and with Fr. Schlegel  
         ii. Penal side is up for discussion; enforcement is a huge issue with cabinet.  
         iii. There is the general opinion and motion for the first year that the policy will not be enforced  
         iv. General consensus from students that if there is not punishment rule breaking will be rampant  
         v. Warning system, then action is taken, currently Public safety is trying to figure out how to actually implement this  
         vi. PR between the students and the Administration is an issues, it needs to ensure that there is a care and consideration taken for students  
         vii. Cessation programs need to be implemented before there is some sort of retributive action. Also there should be a tiered system to delineate severity. Education needs to be taken more seriously.  
         viii. The issue of enforcement at the Medical Center is different than on campus. But we are not sure how it will all work.  
         ix. Dr. Cernech said that from a university standpoint, the campus will be going smoke free July 1, but that there have been no decisions made currently to decide the enforcement. There is a committee put together to decide how to make sure the enforcement is handled.

   2. Harper Center:  
      i. The alcohol issue was burgeoned.  
      ii. Parking issues was discussed, and it is being handled, no answer has come to a resolution yet.
3. **Sustainability:**
   i. CSU executives attended sustainability meeting. The Recycling will be implemented by next year. Still doing white paper. The single stream will be implemented next fall.
