effective.

      ii. Strategic Plan
         1. CSU is embarking on a strategic plan similar to the process that the
            University underwent. CSU needs some sort of plan to work
            towards common goals and means in terms of direction. Micah

They will incorporate students, and it will benefit students. Requested 2250.00, allocated 1300.00 dollars. It is a fine line when departments request funding. It was decided that CSU would pay for 1/3 of the total cost.

iii. Creighton International Relations Club Request
1. Second time application for funds, the conference is held in Brazil, wanted to take 4 students. The problem arose because of the time not being in school and requesting 8200.00 dollars. Funding was declined.

1. Funded events recap, shaded are those who have not turned in their forms. If you have any questions direct those towards Dillon.

d. Vice President of Programming: Jenna Rae Vercillo
i. Spring Fling Wrap Up
1. Megan Manning is the Traditions Coordinator; she thanks all of those who attended Spring Fling Events last week. The concert had 350.00 attendees, it was a success and Program Board did and excellent job.

ii. Daniel Kinno Comedian
1. He came on Monday April 14th as part of Spring Fling, Jenna would like to inform you on the process as to how Program Board selects performers. Program Board does not stand by his performance and the process for choosing performers involves an extensive review process. When he was contracted it appeared that he was acceptable, and he signed a contract that bound him to bear in mind we are a Jesuit Institution. He did not follow those outlines and Program Board never intentionally brought him here to be offensive.
