

EMPLOYER SPONSORSHIP PROGRAM

Harper Center for Student Life & Learning
– Home of the John P. Fahey Career Center

Creighton
UNIVERSITY

DEAR EMPLOYER,

The Creighton Career Center has developed an annual **Employer Sponsorship Program** for employers who want to maximize their recruiting efforts and presence on campus and increase their exposure to Creighton University students, alumni, faculty and staff. This program gives employers an opportunity to partner with Creighton University to provide students and alumni with a broad range of career services.

The Creighton Career Center strives to develop collaborative relationships with students, alumni, employers, faculty, and other Student Services professionals to further enhance our students' career and academic development. We look forward to continuing services for our employers.

Thank you in advance for your consideration of our program. The Creighton Career Center looks forward to partnering with you through this exciting and unique program. We appreciate your continued support.

Sincerely,

Jim Bretl, M.S.
