CreightonConnect Class Resources

Introduction (can be sent or included in course syllabus):

CreightonConnect is a student success tool on campus that we began to utilize in the fall of 2016. Throughout the term, you may receive emails from CreightonConnect regarding your course grades and academic performance. Please pay close attention to these emails and consider taking the recommended actions. They are sent to help you be successful!

As the instructor, I may request that you schedule an appointment by going to CreightonConnect or recommend that you contact a specific campus resource, such as tutoring. You may also be contacted by one of these services.

Student Directions for Scheduling Appointments:

1. Login to CreightonConnect via BlueLine or www.creighton.edu/creightonconnect.
2. Students should click on the three horizontal lines in the upper left hand corner. Then click the My Success Network option in the drop down list.
3. At the top of the page all faculty and academic advisors should be shown. Click on the dropdown next the the advisor’s name you want to schedule with.
4. Click on Schedule Appointment to view availability and schedule a time to meet. Only available when faculty have set up office hour blocks in CreightonConnect. (look for bold dates, those are the ones with open office hours)
