Set up your Profile

Begin by setting up your student profile. Your profile lets instructors and advisors know who you are and how to contact you. It also gives you control over how you wish to receive emails.

1. Click on the three horizontal lines in the upper left hand corner. Click on your name and click Institutional Profile.

   From here, you can customize your profile, set appointment reminders, and adding a secondary email address for receiving Creighton Connect emails (e.g. your mobile phone).

   To have Creighton Connect emails sent to your mobile phone (in addition to sending to your primary institutional email address):

   - Enter the email address of your mobile phone in the Alternate Email field. This address will be a combination of your phone number plus carrier information. Click the more information icon (🔍) for a list of common carriers and email address formats:
   - Click the Both radio button associated with “Send my correspondence to”.

2. Once you have made your desired changes to your profile, click the Submit button to save your updates.
Connect to people and services that can help you

The **My Success Network** and **Courses** channels display the people and services that are available to help you succeed. Here you can find key contact information as well as links to student service web sites and online appointment scheduling.

**My Success Network**

Click on the three horizontal lines in the upper left hand corner. Click on **My Success Network** to display your personalized network. This channel lists the people and resources that are available to assist you. (You can browse a broader list of available services in the Service Catalog). For each person or service listed you will find contact information, supporting websites, and, if online scheduling is enabled, a link to make an appointment will be under the drop down arrows of each provider. If a service includes a waiting room for walk-in appointments, you can click the “Waiting Room” link to find out how many students are currently in line.
