Radiology for Dental Assistants
November 22-23, 2013

Course Description and Overview:
This will be a 16 hour hands-on certification course for dental assistants, with the intended purpose to take dental radiographs, under the supervision of a licensed dentist. This course is approved by the Nebraska Board of Dental Examiners and the renewal of registration in the state of Iowa. As a prerequisite for the course, dental office experience is required.

At the end of the course, participants should be able to:
- Identify the properties and characteristics of the radiation beam and the factors involved in quality imaging;
- Understand radiation safety measures;
- Recognize and use radiographic landmarks;
- Take and mount a full-mount set of radiographs;
- Be familiar with the state regulations and legal aspects of dental radiology

Tuition: 2-day course $325

Course Director, Timothy F. Walker D.D.S., M.S., Assistant Professor Oral Maxillofacial Radiology, Department of Diagnostic Sciences, Creighton University.

Course Information:
This course will be presented at Creighton University School of Dentistry. Continental breakfast and lunch will be provided. Final check-in will begin at 7:30 a.m. on Friday; class will begin at 8:00 a.m. both days. Since this is a limited attendance course, a cancellation fee of $50 will be charged for cancellations received later than 72 hours prior to the course. Tuition includes an XCP Kit, handouts and other amenities.
