General Information

OVERVIEW

The EMS Refresher Course is designed to provide current information helpful in providing quality patient care in the emergency medical service setting. The content of the course is based upon the defined requirements as established by the National Registry of EMTs under which all Advanced Emergency Medical Technicians (formerly EMT-I) and Paramedics must re-register. Completion of this entire program will satisfy the 48-hour refresher training requirements, sections 1A and 1B for nationally registered paramedics. Advanced Emergency Medical Technicians will also be able to attend sessions to satisfy all of their 36-hour refresher requirements. NOTE: All EMT levels are required to submit a total of 72 hours of Continuing Education for national re-registration.

Although this course has been designed to satisfy the requirements for National Re-registration, credit will be awarded to all levels of certified/licensed EMS providers seeking continuing education hour-for-hour of contact.

COURSE DATES/LOCATION

This program has been designed for the participant to satisfy refresher-training requirements in a relatively brief period of time. Courses will be conducted one weekend per month over a three month period on the following dates:

January 21 and 22, 2012
February 11 and 12, 2012
March 3 and 4, 2012

All lectures will be held at the Bellevue Fire Department Training Facility. Maps and other information in the Omaha Metro area can be found at www.omaha.com.

FEES

The cost for attending the EMS Refresher course, which includes all applicable classroom materials, is as follows:

Entire 48 hours—\$250.00
Single day registration—\$50.00

REGISTRATION INFORMATION

- **ONLINE** at <http://ems.creighton.edu>
- **MAIL** registration form with payment to Creighton EMS Education
- **PHONE** in your registration to 402-280-1280

As capacity is limited, early registration is encouraged.

Reservations received later than seven days prior to the scheduled weekend cannot be guaranteed. If any scheduled presentation is cancelled or rescheduled due to unforeseen circumstances, full refunds will be provided. Presenter substitutions may be made as necessary.

For additional information on this program, contact:

402-280-1280 or ems@creighton.edu
