

Emergency Medical Technician (EMT) Application

August 25 – December 15, 2011

Course Description

The EMT course follows the current 2009 National Highway Traffic Safety Administration, National Emergency Medical Systems Education Standards consisting of approximately 138 classroom hours in addition to performing ten patient assessments. The Creighton University EMS Education Program is approved by the Nebraska Department of Health to provide EMT education. In addition, Creighton University EMS Education is nationally accredited by CAAHEP (Commission on Accreditation of Allied Health Education Programs) and CoAEMSP (Committee on Accreditation of Educational Programs for the EMS Professions).

Upon successful completion of the course, the student will be eligible to complete the National Registry EMT Computer Based Test. Students must have reached 18 years of age in order to take the National Registry examination.

Application Checklist:

- Completed EMT Application
- Copy of your high school or college transcripts
- Copy of driver's license
- Copy of current CPR card (see below for CPR requirement)
- 100-word essay, "Why I want to take this course."
- \$100 non-refundable deposit (certificate students only)
- BLS course payment (if needed)

Submit application materials to: Creighton EMS Education
2514 Cuming Street
Omaha, NE 68131

email. ems@creighton.edu
web: <http://ems.creighton.edu>
tel. 402.280.1280 or 800.327.7530
fax. 402.280.1288

*Individuals admitted to the EMT course are required to comply with Creighton University's immunization requirements for Health Science Students. Immunization compliance is monitored by Creighton University Health Services, www.creighton.edu/chc/healthservices. Please refer to the **Health Science Students** section for immunization requirements. The required Health History Form will be mailed to you with your acceptance letter. Submit all immunization information directly to Health Services. **Registration in any course at Creighton University requires students to have received two doses of MMR, or submission of positive immunity laboratory testing. Full compliance with all immunization requirements is mandatory for students to participate in required patient care activities.**
