

Paramedic Education Program Application

August 24, 2011 – July 21, 2012

Course Description

The Paramedic program currently consists of approximately 600 classroom and laboratory hours. Clinical/Field internship completion is competency based so hours are variable. The Paramedic Program adheres to the current U.S. Department of Transportation Paramedic Educational Standards & Guidelines.

Didactic Training

The classroom portion of the Paramedic program is comprised of lectures, practical skills sessions, case studies, review sessions, as well as written and practical testing including the following topics:

- Anatomy & Physiology
- Preparatory
- Patient Assessment
- Airway Management
- Medical Emergencies
- Trauma
- Patients with Special Considerations
- EMS Operations
- Case Based Management

Certifications Included as part of this Training Program:

1. Advanced Cardiac Life Support Provider Course (ACLS)
2. Pre-Hospital Trauma Life Support (PHTLS)
3. Pediatric Advanced Life Support (PALS)
4. Pediatric Education for Pre-Hospital Professionals (PEPP)
5. Advanced Medical Life Support (AMLS)

Upon successful completion of the program, students are eligible to complete the National Registry Paramedic examination.

The Creighton University EMS Education Program is approved by the Nebraska Department of Health to provide EMS education. Creighton University EMS Education is accredited by the Commission on Accreditation of Allied Health Education Programs upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions.

Individuals admitted to the Paramedic program are required to comply with Creighton University's Immunization requirements for Health Science Students. Immunization compliance is monitored by Creighton University Health Services, www.creighton.edu/chc/healthservices. Please refer to the **Health Science Students** section for immunization requirements. The required Health History Form will be mailed to you with your acceptance letter. Submit all immunization information directly to Health Services. **Registration in any course at Creighton University requires students to have received two doses of MMR, or submission of positive immunity laboratory testing. Full compliance with all immunization requirements is mandatory for students to participate in required patient care activities.**
