**Summer Financial Aid Application 2009**

If you plan to enroll for summer school and apply for Federal financial aid, the Financial Aid Office requires that this form be completed and returned to the Financial Aid Office by May 1st. You must have a Free Application for Federal Student Aid (FAFSA) on file for the 2009-10 academic year in order to be considered for summer Federal aid. All questions must be completed before this application will be processed. Remember, if you apply for Federal aid for summer courses, your eligibility for Federal aid for the ensuing Fall/ Spring terms will be reduced. No summer aid is available for students enrolled less than half-time over the combined summer sessions. Summer aid cannot be disbursed until the beginning of the summer term that makes the student half time. (In other words, if a student is enrolled for 3 hours Summer session One and 3 hours Summer session two, he can't get his loan funds until he starts session two, because at that point he will be at 6 hours, which is half time.)
