<i>POLICY:</i> <b>Facility Security Policy</b>	<i>PAGE 1 OF 2</i>		

## **PURPOSE**

The purpose of this policy is to comply with the Health Insurance Portability and Accountability Act (HIPAA) Security Rule's requirements pertaining to the integrity, confidentiality, and availability of electronic protected health information (ePHI).

## **SCOPE**

This policy covers all electronic protected health information (ePHI), which is a person's identifiable health information. This policy covers all ePHI, which is available currently, or which may be created, used in the future. This policy applies to all faculty, staff, students, residents, postdoctoral fellows, and non-employees (including visiting faculty, courtesy, affiliate, and adjunct faculty, industrial personnel, and others) who collect, maintain, use, or transmit ePHI in connection with activities at Creighton University.

## **POLICY**

Creighton University requires the development of a Facility Security Plan with the objective of safeguarding facilities and premises that house systems that maintain ePHI, from unauthorized physical access, tampering or theft including the equipment present in all such facilities.

## **DEFINITIONS**

### **Protected Health Information**

Individually identifiable health information transmitted or maintained in any form.

### **Electronic Protected Health Information (ePHI)**

Individually identifiable health information transmitted or maintained in electronic form.

## **RESPONSIBILITIES**

**Systems Administrators with physical control of systems that maintain ePHI** are responsible for the creation of a facility security plan.

**Information Security Officer** is responsible for determining where facility security plans are necessary and making sure they are maintained.

## **ADMINISTRATION AND INTERPRETATIONS**

This policy shall be administered by Information Security. Questions regarding this policy should be directed to the Information Security Officer.
