Interdisciplinary Leadership at Creighton

Please join Mr. Jeremy Bouman, Dr. Isabelle Cherney, Dr. Todd Darnold and Dr. Bridget Keegan for a conversation around Interdisciplinary Leadership at Creighton. Topics to be discussed will be development efforts for funding and generating interest among businesses in the surrounding area, the EdD in Interdisciplinary Leadership, the Anna Taylor Waite Leadership Program, and the BS in Integrated Leadership Studies.

DATE

12/03/12

TIME

4:00 pm

The University Research Council in collaboration with University Relations is launching the Creighton University Interdisciplinary Conversations (CUIC). The CUIC is an opportunity for faculty to come together and discuss topics that lend themselves to interdisciplinary collaboration.

We know that Creighton has a unique opportunity as a modestly small yet diverse campus to engage in this interdisciplinary conversation and networking opportunity. University Relations is an important partner in these conversations in linking potential funding sources with interdisciplinary opportunities.
