

Graduate Student Government

Creighton Student Union (CSU) Representative

Name: Shevuel Sayed

Program: Master of Science in Organizational Leadership

When did you begin graduate school at Creighton? January 2018

Why would you be a good candidate for this position? As Apartment Coordinator for an upperclassmen hall, I have had the opportunity network and develop relationships with individuals who are in CSU as underclassmen. This along with being an on-campus resident in a fully online program provides me with a great perspective to improve the well-being and academic climate for graduate students and Creighton University as an academic institution.

What experience or qualifications do you possess that would help you serve in this position? I am currently an advisor for IRHG and Apartment Coordinator at Opus Hall. This exposure to students along with my academic endeavors provide me with awareness of what can benefit Creighton University as an academic institution.

List potential goals and ideas for the position:

I plan to partner with CSU to promote campus wide involvement for both undergraduate and graduate students. With some undergraduate students enrolled in the accelerated bachelor to master's programs, I believe that building a bridge between these students is essential for retaining students and the further development of graduate programs at Creighton University.

Besides graduate coursework, what other time commitments do you have (jobs, organizations, committees, etc.)?

I am a graduate assistant in the Department of Residential Life. This position requires me to sit as an advisor for IRHG on the upperclassman committee.
