

M.Ed. Secondary School Teaching (EDU)

Program Goals

At the completion of their graduate program, the student will:

1. Understand human development and appreciate diverse learners.
2. Plan and use a variety of instructional strategies to accommodate diverse learners and help all students succeed and fulfill their potential.
3. Plan and use a variety of assessment strategies to diagnose learner needs and evaluate learning outcomes.
4. Collaborate with colleagues, parents, and community members to assist learners and to advance the school's mission.
5. Value and exhibit the Ignatian/ Jesuit charisms of *cura personalis* (personal care), *magis* (excellence), men and women for and with others (service and justice), and contemplation in action (reflective ethical decision making).
6. Learn how to communicate effectively and demonstrate the ability to communicate effectively in diverse school settings.
7. Develop the ability to think critically and apply critical thinking skills in an action research project that culminates in a poster presentation.
