New Look at the Health Sciences Library: Single-Service Desk Completed

February 2010 witnessed the construction of the new Single-Service Desk at the Health Sciences Library. This culminated a process begun in June 2009, when all service desks (Circulation, Reference, and the Learning Resources Center) were combined into one service desk.

The single service desk was created in the space previously occupied by the old Circulation Desk. Its design is spacious, airy, and inviting to our clients. The concept was initiated to provide one-stop access for our clients and the design of the desk is flexible so as to accommodate changes as they evolve.

We welcome you to stop by to see this newest addition to the library.

New Alumni Resources Now Accessible

As noted in the previous issue of the BICInformer (Volume 137, November 2009), alumni would soon be able to access two EBSCO databases (Academic Search Alumni Edition and Business Source Alumni Edition) as well as RefWorks, the web-based bibliographic management program.

These resources are now available to alumni via the Alumni Resources page (http://hsl.creighton.edu/services/servicesforalumni) on the Health Sciences Library website. Once at the Alumni Resources page, click on the respective links and log-in with your alumni guest card number and name. Don't have an alumni guest card? Complete the online Guest Card application (http://hsl.creighton.edu/services/guestcardapplication) or contact the Health Sciences Library Service Desk (280-5109 or hslcirc@creighton.edu) for more information. Alumni may also access these resources by logging on to the Creighton Alumni page (http://alumni.creighton.edu) and following the link from the Jay2Jay log-in to the databases.

Academic Search Alumni Edition and Business Source Alumni Edition are two databases that provide full text access to nearly 5,000 journals and magazines. The majority of these resources are peer-reviewed. RefWorks is a web-based bibliographic management program that allows users to create their own bibliographic database and quickly format bibliographies and in-text citations. The Health Sciences Library, in conjunction with Alumni Relations, Klutznick Law Library, and Reinert Alumni Library, is pleased to offer these resources to Creighton alumni.
Holiday Spirit Programs Successful

Once again, the Food for Fine$ program was a success for the Health Sciences Library students - but most of all for the St. Martin DePorres Food Bank. The Food for Fines$ program, in its 19th year, allows library patrons to clear overdue item fees by donating one non-perishable food item for every $1.00 in fees.

The Health Sciences Library collected and delivered over 85 food items as well as a cash donation to the Food Bank on December 22nd. A special thank you goes out to Tim Glick, Evening/Weekend Supervisor in the Circulation Department, who coordinated this effort, and to Sue Chamberlin, Administrative Assistant, for assisting in delivering the food items.

In keeping with the Christmas tradition, the Health Sciences Library participated in the Family-to-Family project. The library provided clothing, toys, and food for a family in the Omaha area. This is the fourth year that the library has participated in this worthy project.

USMLE Step 2 Practice Exam Now Available Via Exam Master

Exam Master has added the USMLE Step 2 Practice Exam to its online offerings. Students can sit for a full exam or take each block individually as their schedules permit. All blocks include post-exam review and detailed explanations. The USMLE Step 2 Practice Exam features: 8 exam blocks of 44 questions each, for a total of 352 questions - in both test or study mode. Correct answers and explanation are available in the study mode. There are detailed score reports. Exam blocks cover topics included in the step exam.

Exam Master is located in the Board Review section of the LRC/Multimedia page (http://hsli.creighton.edu/lrcmultimedia) on the Health Sciences Library website.

For additional information regarding multimedia resources please contact Diana Boone, Head of the Learning Resources Center (DianaBoone@creighton.edu or 280-5175).

Health Sciences Library Advisory Committee

The Committee for 2009/2010 includes:

School of Dentistry
Scott DiLorenzo, DDS (Associate Professor of Oral Biology)
Gregory Goessman (D4)

School of Medicine
Poonam Sharma, M.D. (Assistant Professor, Pathology)
Lauren Hansen, Ph.D. (Professor, Biomedical Sciences)
India Robinson (M1)

School of Nursing
MarySue Wydeven, RN, MSN (Assistant Professor)
Colleen Nelson (Senior Nursing student)

School of Pharmacy and Health Professions
Amy Wilson, Pharm.D. (Director, Center for Drug Information & Evidence-Based Practice; Associate Professor, Pharmacy Practice)
Demi McCashland (P2)

Creighton University Medical Center Hospital
Nan Tiedman (Medical Staff Services)
Deb Lee, Pharm.D. (Directory of Pharmacy)

Audio Digest MP3s Available via iTunesU

Get Audio Digest mp3 files via iTunesU! To access the library’s section within iTunesU, go to http://www.creighton.edu/itunesu and log in with your Creighton NetID and Blue Password to access the private section. Once logged in, look under the Academic section and Click on the Health Sciences Library title to enter our content area. All of our subscriptions to Audio Digest titles are there and are ready to download in the following areas: Anesthesiology, Family Practice, General Surgery, Internal Medicine, Obstetrics/Gynecology, Ophthalmology, Orthopaedics (coming 2010), Pediatrics, and Psychiatry.

For additional information regarding this resource – or any other multimedia resource – please contact Diana Boone, Head of the Learning Resources Center (DianaBoone@creighton.edu or 280-5175).

Health Sciences Library Staff News

Rose Fredrick is a new Library Specialist and will work with the Circulation/Interlibrary Loan and Reference Departments. Rose, a Nebraska native, earned her Master of Library Science degree from the University of Illinois at Urbana-Champaign. She previously worked at the McGoogan Library of Medicine at the University of Nebraska Medical Center and at the LaVista Public Library.

Viral Amin is the new Digital Services Librarian in the Reference Department. He is a recent graduate of the University of North Texas, where he earned a Master of Information Science degree. Prior to joining the staff at the Health Sciences Library, Viral completed a practicum at the Library of Congress.

Please join us in welcoming Rose and Viral to the Health Sciences Library.
