Funding Request Overview

IRHG Sponsorship
Thank you for your interest in sponsorship through the IRHG Sponsorship Fund. This fund is designed to be a resource to students and organizations affiliated with the residence halls and their residents. As outlined in the IRHG constitution, each semester there will be $1,000 available to organizations, both affiliated with and outside of Inter Residence Hall Government. Organizations not directly associated with IRHG can request up to $300 for an event that will benefit on campus students.

Funding Request Stipulations
1. The completed funding request (including the Funding Request Cover Sheet, Funding request form, and program budget) must be turned into the IRHG Executive Director of Finance at least 15 business days before the event. Requests that are not turned in by time will not have adequate time to be processed. Funding is allocated as requests are received, so it is recommended that requests are turned in as soon as possible.
2. The organization must come to an Inter Residence Hall Government General Assembly meeting (9pm on Tuesday nights) to give a five-minute presentation about the event and participate in a ten-minute question and answer session. This appearance will be coordinated with the E.D. of Finance.
3. Organizations who receive funding must display the IRHG logo on all advertising for the event including, but not limited to, posters, table tents, apparel (if used as sponsor advertisement) and online event advertising. They must also display the IRHG banner if so requested by the IRHG Executive board. Failure to use the IRHG logo will result in partial or complete loss of funding. Please keep this in mind when creating your timeline for requesting funding; having already printed materials is not an excuse for not fulfilling this requirement.
4. Organizations must submit an Event Report Form along with all receipts from the program to the IRHG E.D. of Finance within 15 business days of the event. Failure to do so may result in loss of funding.
5. Funding is conditional on the occurrence of the event. If the actual costs of the budgeted items are less than what was presented in the original request, the remaining balance will be returned to the IRHG Sponsorship Fund.
6. Funding will be granted within one month after the Event Report Form has been received.
