RACE HISTORY
The JayWalk was created in 2003 as part of Creighton University’s 125th Year Celebration. CSU organized an event that was student focused and benefited the greater Omaha community, with all proceeds going directly to the Jesuit Middle School. This is the fifth year of the race, and it continues to get bigger every year.

WHO BENEFITS?
The Jesuit Middle School of Omaha offers the young males of Omaha, particularly African Americans, a quality educational opportunity, encouraging them to claim ownership of their lives and develop themselves as responsible leaders. The training in this Catholic school includes the five basics of traditional Jesuit education, while preparing its graduates academically, socially, and spiritually for acceptance into a college preparatory curriculum.

For the past four years JayWalk has raised almost thirty thousand dollars for the benefit of the Jesuit Middle School of Omaha. This money has enabled them to make many necessary changes throughout their school and the proceeds have even gone on to fund the tuition of a student.

CREIGHTON PREPARATORY SCHOOL
As a private Jesuit High School with an enrollment of about 1000 boys from grades 9-12, the school was founded in 1878. The mission of Creighton Prep is to inspire and help young men develop themselves as leaders in service to others through a Catholic, college preparatory education program in the Jesuit tradition.

CREIGHTON STUDENTS UNION
The Creighton Students Union, the Creighton University student government, is organized for public and charitable purposes and operates as an integral part of Creighton University. The objective of the Creighton Students Union is to further the best interests of Creighton University and its students by representing the opinions and wishes of the students to the University and to the communities outside the University, by supporting student organizations that program student activities, and by supporting the Jesuit mission of education, service, and the development of the whole person.
