

NIH Financial Conflict of Interest Tutorial

The National Institutes of Health (NIH) Financial Conflict of Interest Tutorial is a requirement of **Creighton University's Research Compliance Program** for all Investigators/Support Personnel involved in an NIH-funded project.

The National Institutes of Health (NIH) have developed an online tutorial that must be completed by anyone involved with an NIH-funded project. This includes individuals responsible for the management, design, conduct, or reporting (Investigators/Support Personnel at Creighton University or any other institution) of NIH-sponsored research. The tutorial requires approximately 15 minutes to complete.

The tutorial may be viewed at:
