BlueQ Learning Opportunity

This introductory class on how to create a basic survey in BlueQ, Creighton’s survey tool utilizing Vovici, will be held

**Wednesday, Nov. 16, 9 to 11 a.m., Old Gym, LearnIT Lab.**

Hosted by Creighton Academic & eLearning Technologies. Creating surveys and analyzing results can be done with ease in this completely web-based application. It can also be used as a teaching tool for students learning survey methodology.
